**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We at Clinic by the Bay support broadband competition. We believe in helping small businesses in our community that understand:

- quality of service
- competitive prices
- excellent customer service

We are a free medical clinic that provides free medical care the those individuals that do not have insurance. Part of providing that service is accessibility to a good internet provider.

So, please do not support:

- inflated prices in the broadband service industry
- inflated prices in the phone industry

PLEASE SUPPORT:

- fair competition

We at Clinic by the Bay support our competitive internet provider because they provide excellent services, reasonable service charges and their is someone on the other end of the phone to answer my questions.

Regards,
Vielu du Pont
